## PETITION TO THE HOUSE OF COMMONS

We, the undersigned citizens and residents of Canada, draw the attention of the House of Commons to the following:

## Whereas:

- Firearms owners are among those least likely to commit a crime in Canada;
- New regulations are causing firearms owners delays and making them feel like second class citizens; and;
- Licenced firearms owners are consistently demonized by this Liberal Government.

Therefore we, the undersigned citizens and residents of Canada, call upon the Government of Canada to:

- 1) Eliminate the firearms transfer number requirements; and;
- 2) Remove of all regulations and laws seeking to prevent the sale and transfer of handguns.
