

PETITION TO THE HOUSE OF COMMONS

We, the undersigned citizens and residents of Canada, draw the attention of the House of Commons to the following:

Whereas:

- Hunting and firearm ownership play an integral role in Canadian history and culture;
- Many new Canadians love to participate in this heritage of hunting;
- With amendments to Bill C-21, the Liberals are seeking to ban many different hunting rifles and shotguns;
- Weatherby bolt action rifles are being banned; and;
- With their legislation, the Liberals are betraying hunters.

Therefore we, the undersigned citizens and residents of Canada, call upon the House of Commons to:

- 1) Leave our guns alone.
- 2) Vote against Bill C-21.
- 3) Defend and safeguard the property rights of Canadian hunters.
