

PETITION TO THE HOUSE OF COMMONS

We, the undersigned citizens and residents of Canada, draw the attention of the House of Commons to the following:

Whereas:

- CBC receives more than 1.2 billion dollars in annual taxpayer funding despite CBC television being watched by less than 3.9% of Canadians and CBC news broadcasts being watched by less than 1% of Canadians;
- CBC has misled taxpayers in its 2019 annual report on how much money actually comes from taxpayers;
- CBC misled Canadians with information about the origin, supporters and foreign influence in the Freedom Convoy;
- CBC launched a politically-motivated lawsuit against the Conservative Party for lawfully using CBC's content;
- CBC uses taxpayer funds to compete with and threaten the future of local newspapers, which are essential to rural communities;
- CBC gives out bonuses and raises while receiving \$42 million additional tax dollars; and;
- Former CBC producer Tara Henley described that “To work at the CBC in the current climate is to embrace cognitive dissonance and to abandon journalistic integrity” and “to pretend that the ‘woke’ worldview is near universal.”.

Therefore we, the undersigned citizens and residents of Canada, call upon the Government of Canada to defund the CBC.
