

PETITION TO THE HOUSE OF COMMONS

Save Peace River Airport Nav Canada service.

We, the undersigned citizens and residents of Canada, draw the attention of the House of Commons to the following:

Whereas:

Air travel is critical to the development and way of life in northern Canada
Airports provide a critical link in emergency healthcare services.
Closing of a flight service station may jeopardize long term viability of the Peace River airport.

Therefore we, the undersigned citizens and residents of Canada, call upon the Government of Canada to:

- 1) Halt all plans to close the Nav Canada flight service station at the Peace River airport.
- 2) Work to promote air travel to ensure long term viability of regional airports
