## A MESSAGE FROM YOUR MP

## GET IN TOUCH

Dear Neighbour,

Justin Trudeau is trying to distract from his government's disastrous record on crime and violence by banning millions of legitimately owned hunting rifles and shotguns.

***Bill C-21 is the largest assault on hunters in Canadian history.***

Bill C-21 targets law abiding hunters and farmers who rely on these rifles as tools as well as Indigenous people who hunt as a critical part of their livelihood and heritage.

***Hunting rifles are not the problem.***

Going after hunters and their legitimately owned hunting rifles will do nothing to reduce violent crime across the country.

Canadians know the Liberal approach to violence is failing Canadians. Violent crime has increased 32% since the Liberals took office and gang-related homicides have increased 92%.

Instead of going after law-breakers who are committing these crimes, the Liberals have made it easier for criminals to get bail and have repealed mandatory minimum sentences for violent gun crimes. They've also failed to stop the flow of illegal guns across the US border.

Conservatives support common-sense firearms policies that keep guns out of the hands of dangerous criminals.

Conservatives will:

- Fight Bill C-21 and the Liberal amendments
- Stand up for the millions of Canadian hunters
- Advocate for real, tough-on-crime policies to clean up our streets and keep Canadians safe.

Sincerely,

**Arnold Viersen, MP**
