

BRING HOME

POWERFUL PAYCHEQUES

Pierre Poilievre and the Common Sense Conservatives

Dear Neighbour,

After eight years of Justin Trudeau, work doesn't pay like it used to.

His war on work means that when you earn an extra buck, **you lose as much as 80 cents to taxes and clawbacks.**

You make it. He takes it.

Meanwhile, his taxes, red tape and gatekeepers push business, factories and resource jobs out of Canada and to hostile foreign dictatorships.

The Conservative Party of Canada and our Leader, Pierre Poilievre, are ready to turn our country around and restore the hope that has been fading for so many.

The Common Sense Conservatives will bring home powerful paycheques.

- We will cut income taxes and clawbacks that punish work so you keep more of each dollar earned.
- We will remove gatekeepers so First Nations can earn paycheques, brilliant immigrant

doctors and nurses can treat patients, and Canadians can build.

- We will greenlight projects like pipelines, nuclear, hydro, and mining of battery-making materials.
- We will remove red tape to bring home small businesses, factories, family farms, resources and technology.
- We will turn dollars for dictators into paycheques for our people.
- We will end both of Trudeau's carbon taxes.

The Common Sense Conservatives led by Pierre Poilievre will bring it home for Canada where **everyone who works hard can bring home a good living and a great life for their families.**

Together, we will bring home the Canada we know and love.

In your service,

Arnold Viersen, MP
